

A.i.f = Anti-interference filter
 DL1 = Door lock/switch
 H1 = Heater with protectors
 Iv = Inlet valve
 m1 = Timer motor
 m2 = Drum motor
 m3 = Drain pump
 Pl = Pilot lamp
 P1 = 1-st level pressure switch
 P2 = 2-nd level pressure switch
 Pm2 = Protector in drum motor
 Ta = Tachometer, inside motor

Th.r = Temp. choice
 b3 = Timer contact
 = 2.8mm connection
 = 6.3mm " on component
 = 6.3mm " " timer
 = PCB connection on timer- or component
 --- = Internal connection on timer- or component
 - - - = Connection with wire
