

- | | | | |
|----|--|----|------------------------|
| b2 | Door switch | kp | Terminal block |
| b3 | Timer contact | k1 | Start capacitor |
| b5 | Temp. selector | k2 | RFI capacitor |
| b7 | Floater switch | m1 | Timer motor |
| f1 | Thermostat 65°C | m2 | Main pump |
| f2 | Thermostat 55°C | m3 | Drain pump |
| f3 | Overheating protector (boiling protector) | R1 | Heater with protectors |
| f5 | Pressure level switch | S1 | Inlet valve |
| h2 | Lamp washing | S4 | Rinse aid-coll |

- Connection 6,6 mm on component
- Connection 6,3 mm on timer
- Internal connection on timer
- Connection with wire
