

MAIN ELECTRONIC BOARD

Temperature probe(washing)

Door safety interlock

ON/OFF button

Anti-interference filter

USER INTERFACE BOARD

Door triac sensing

Line ON/OFF

Temperature probe (drying)

Analogic pressure level

Pressure switch AE-1

Overheat protection thermostat

Overheat protection thermostat (drying)

Heating element (washing)

Programme selector

Door locked lamp

Recirculation pump

Drain pump

Fan

Temperature probe (humidity control)

Temperature probe (drying)

Motor
