

Dimensions, data and characteristics, which are subjected to Statistic Process Control (SPC) are marked with

- (K) Compressor
- (H) Starting Device
- (G) 12V DC Fan
- (F) Flexible Cord
- (E) Earth Cabinet
- (C) Run Capacitor
- (J) Motor Protector

This drawing contains confidential information and is the property of Electrolux. It is not to be copied, reproduced, or used in any way without the written consent of Electrolux. Any party or other used and it is to be held responsible for the drawing.

Components reflected by this drawing must not contain substances listed in Annex I of the REACH regulation (EC/1831/2003) or substances on the REACH candidate list published on <http://echa.europa.eu/>. They have to conform in all respects with the REACH regulation (EC/1831/2003) and the CLP regulation (EC/1272/2008) and the corresponding technical specifications and standards. Compliance with these requirements shall be immediately provided by the supplier to Electrolux.

Any approved discrepancy will be documented in the inspection report.
 Eventuella godkända avvikelser dokumenteras i Kontrollrapporten.
