

Dimensions, data and characteristics, which are subjected to Statistic Process Control (SPC) are marked with

- (K) Compressor
- (H) Starting Device
- (L) 12V LED Light
- (F) Flexible Cord
- (E) Earth Cabinet
- (C) Run Capacitor

This drawing contains confidential information and is the property of Electrolux, without whose permission it may not be reproduced, stored in a retrieval system or otherwise used and it is to be returned promptly upon request to the design owner, who is responsible for the drawing.

Components reflected by this drawing must not contain substances or coatings of any of the substances banned according to Directive 2002/95/EC, RoHS, or substances on the REACH candidate list published on <http://echa.europa.eu/>. They have to conform in all respects with Electrolux "Restricted Materials List" as published on www.electrolux.com. Upon request documentation demonstrating compliance with these requirements shall be immediately provided by the supplier to Electrolux.

Any approved discrepancy will be documented in the Inspection report.
 Eventuella godkända avvikelser dokumenteras i Kontrollrapporten.
