Differentiation of the ventilation systems

A1609

Characteristics:

- The logo "Electrolux" is on the boss for exhaust device.
- The air vent grill is **visible** fixed (8 screws).
- The ventilation system was built up to 1993.

**Cutout Dimensions for R1610:**

485mm x 185mm

⚠ **Attention**

- The ventilation system is available in the colour beige only.
- The ventilation system can only be changed into a newer one, if the frame (R1610) was not used (Because if the frame was used, the cutout dimensions are to large.)

For the spare parts, please have a look to the model A1609

## L100/L200 (manufacture up to septembre 2002)

Characteristics:

- The corners of the ventilation system have a **small** (R=5mm) radius.
- The logo "Electrolux" is on the frame.
- The frame R1640/1650 is **secret** fixed (12 screws).
Cutout Dimensions: 451mm x 156mm

For the spare parts, please have a look to the model L100/L200
