

**SERVICE BULLETIN**

**Drain hose**

**DESCRIPTION:**

We inform you that in the Distriparts Warehouses, some hoses of different lengths are available.

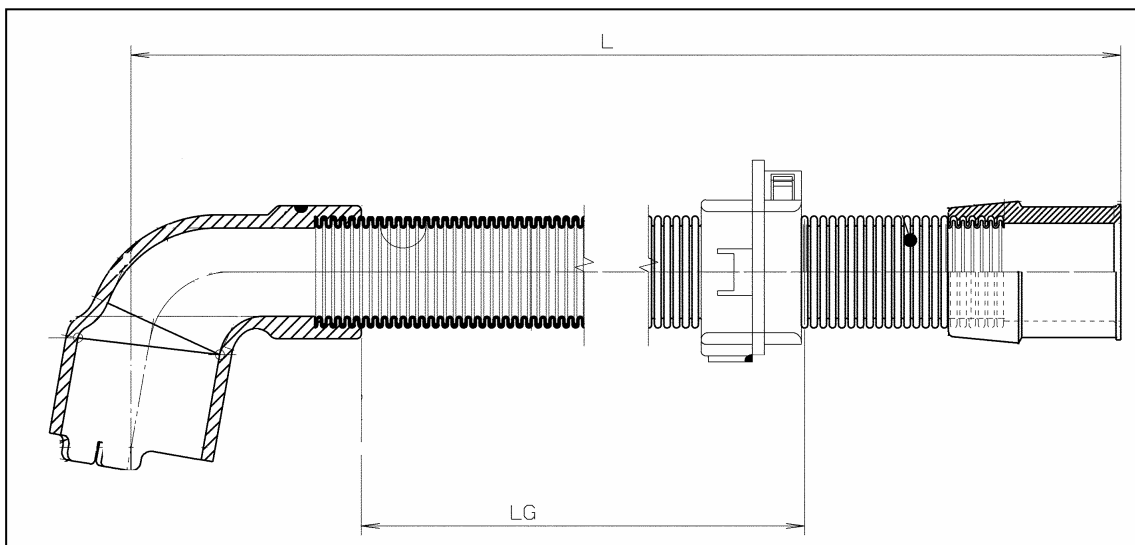

**AFFECTED MODELS:**

All types of dishwashers.

**SPARE PARTS:**

The following table presents the part nos. and the available lengths of the hoses depending on the "LG" distance (between the flange and the start of the corrugated hose) as indicated in figure:

Part no.	L= (mm)	LG= (mm)
1526492010	1930	360
1526492119	2430	360
1526492200	1930	315
1526492309	2430	315
1526492408	2230	360
1526492507	2230	315

**Notes for interchangeability:**

It is possible to replace the hoses previously used in the appliances with hoses of different lengths on condition that the LG distance of the flange is the same.
