Subject	Failure Code Sheet Electronics MES / AES		

ADDITIONAL fault code numbers and description for MES/AES boards

In order to achieve a better fault evaluation the Service-order-form was upgraded by the "Fault code".
Fill in the "Fault code" after exchanging the electronic board in accordance with the table below.

Example

all 17 digits (only with Caravan, Motorcaravan or other vehicles)

Serial number:

Component: Fault code:

Dometic
Warranty Service-Order

Address
Dometic GmbH
Abt.: Doku-Service
In der Steinwiese 16
D - 57074 Siegen
Germany
