

DOOR FALLING DOWN WHEN OPENED. SLIDING HINGE FOR HEAVY DOOR PANELS.**DESCRIPTION:**

Customers could claim about the uncertain door balancing. Build-in Dishwasher's door falls down when opened. Problem can be caused by particularly heavy door panel.

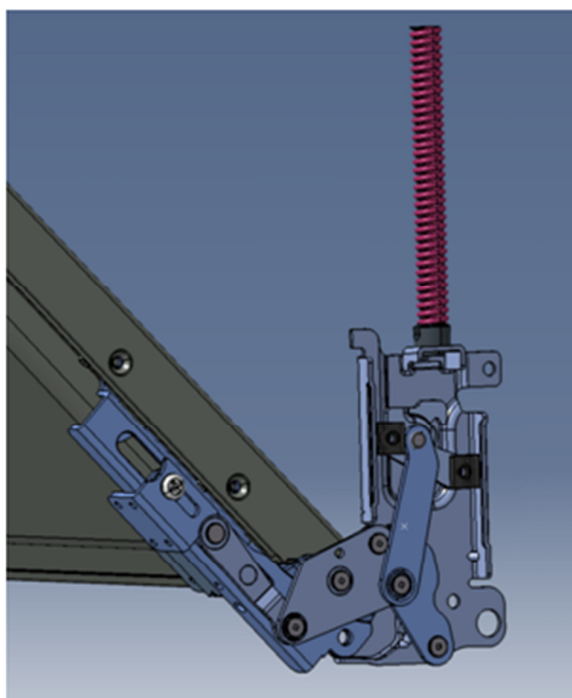

SOLUTION:

New sliding door hinge is available - as a spare part only - to be used on fully built-in 60cm DIVA2 and DOROTEA dishwashers that are fitted with particularly heavy door panels.

The weight of the panel can be between 7 kg and 15 kg.
