

257

A technical drawing of a mechanical part, labeled 257. It features a central vertical stem that widens into a horizontal bar. From this bar, three U-shaped loops extend downwards. The top of the part has a narrow, cylindrical neck. A horizontal line passes through the middle of the three loops. A leader line points from the label '257' to the leftmost loop.

259a

A 3D perspective view of a small mechanical component, labeled 259a. It appears to be a rectangular block with a protrusion on one side and a hole on another. A leader line points from the label '259a' to the component.

258

A technical drawing of a mechanical part, labeled 258. It shows a horizontal bar with a central section that is wider and has a slightly raised profile. A leader line points from the label '258' to the right side of the bar.
